## RENAULT SCENIC 2021, OPENING ORDERS

- **The 2021 Renault Scenic is available to order in France**
- **A refreshed design and new aesthetic possibilities**
- **A simplified range**

Renault Scenic gets a makeover for 2021, with a new grille, a renewed lower grille and redesigned fog lamps. At the rear, the trunk door fascia gains in distinction with a chrome finish on all finishes. A shark antenna makes its appearance from the Limited version. New 20-inch wheels are available on the SL Limited and Intens versions. For more safety and pleasure, the headlights adopt a 100% Pure Vision LED lighting system offering a better light intensity and a 30% longer range. Inside, Scenic features 100% LED lighting and three new upholstery options. Finally, two new hues accompany the 2021 Scenic: topaz blue and vintage red.

The move upmarket is becoming simpler, with an offer that now includes five versions. The Zen one is the entry-level model, followed by an SL Limited and a Business version. Next comes the Intens version, topped by the top-of-the-range Black Edition.

With Renault Scenic 2021, three 100% EURO 6 D-FULL gasoline engines are available (TCe 115 FAP, TCe 140 FAP and TCe 160 FAP) and two diesel engines (Blue dCi 120 and Blue dCi 150\*). The EDC double clutch robotized gearbox is available on the TCe 140 FAP and 160 FAP and the Blue dCi 120 and 150.
