RENAULT REVEALS ITS CAR VISION OF SUSTAINABLE DEVELOPMENT AT CHANGENOW 2022

Renault will unveil as a World Premiere its new concept-car at ChangeNOW 2022, on May 19th, 2022, at 9:00 am (CET).

This vehicle is a unique concept-car embodying the group's sustainable development vision and commitments, and was firstly announced on February 18th, 2022, by Luca de Meo, CEO of Renault Group and Renault brand, during the Renault Group 2021 Financial Results conference

Dedicated to sustainable and positive impact solutions, ChangeNOW is the world's largest event for the planet and will take place at the Grand Palais Éphémère and the Eiffel Tower, from the 19th to the 21st May, 2022 in Paris.

For the World Premiere of this concept-car, Renault will hold a press conference at 9:00 am (CET), accessible from the dedicated website www.events.renault.com

ABOUT RENAULT

Renault, a historic mobility brand and pioneer of electric vehicles in Europe, has always developed innovative vehicles. With the 'Renalution' strategic plan, Renault has embarked on an ambitious, value-generating transformation moving towards a more competitive, balanced and electrified range. Its ambition is to embody modernity and innovation in technology, energy and mobility services in the automotive industry and beyond.
