- **Introducing the le coq sportif limited edition.**
- **Soon available to order from €11,400.**

More refined but still just as fun-loving and agile, New TWINGO is getting a new, modernized look! It offers new interior and exterior customization options. Better equipped than ever, it is available in two new colors (Mango Yellow and Quartz White) and comes with new features.

New TWINGO also takes advantage of the latest innovations in connectivity with the new Renault EASY CONNECT ecosystem. In this way, New TWINGO thus benefits from Android Auto™ and Apple CarPlay™ compatibility and services such as Waze, Google Maps, Deezer and Spotify, etc.

New TWINGO is available with three gasoline engines, and is the only car in its segment that can be mated to the dual-clutch EDC automatic gearbox.

New TWINGO marks the appearance of a limited series with a strong character with a renowned partner: the coq sportif!
