PARIS MOTOR SHOW: AN ICON IS RE-BORN

FOR A WORLD PREMIERE, RENAULT WILL UNVEIL A NEW ITERATION OF ONE OF ITS MOST ICONIC MODELS, THE RENAULT 4.

On 17th October, for the 89th Paris Motor show, Renault will unveil a brand-new show car that is a modern tribute to the iconic Renault 4.

Thirty years after production ended, Renault will seize the moment at the 2022 Paris Motor Show to unveil its new take on the internationally renowned and recognised Renault 4.

The team of designers working under Gilles Vidal, Renault Design Vice President, has given a modern twist to an iconic model that left its mark on the 1960s, '70s, and '80s. The show car will also resonate with younger generations celebrating the 25th anniversary of the 4L Trophy humanitarian rally.

We look forward to seeing you at the Renault press conference by Luca de Meo, Chief Executive Officer of Renault Group and Renault brand, on 17th October at 9:00am (Renault stand, hall 6). You may also watch the conference live on <https://events.renault.com/en/>.
