

RENAULT OPENS ORDERS FOR THE ALL-NEW KANGOO: THE ELEGANT AND SPACIOUS COMBISPACE

- In France, the All-New Kangoo will be available to order from April 1, starting at €24,900 including VAT with the TCe 100 FAP engine.
- With its robust and athletic design, the All-New Kangoo responds to the needs of families and dynamic tribes looking for modularity.
- It lacks nothing: five real seats, 49 litres of accessible storage space, a generous 775 litre boot and innovative roof bars.
- The All-New Kangoo is equipped with fourteen driving aids and will be available at launch with the 1.3 TCe FAP petrol engine (100 and 130 hp) and the 1.5 Blue dCi diesel engine (95 hp).

| VERSIONS | ENGINES | PRICES INCL. VAT |
|----------|-------------|------------------|
| ZEN | TCe 100 FAP | €24,900 |
| | Blue dCi 95 | €25,900 |
| INTENS | Blue dCi 95 | €27,400 |
| | TCe 130 FAP | €27,900 |

PRESS RELEASE

From April 1, Renault will open orders for the All-New Kangoo in France for sale from June 2021.

The All-New Kangoo has a robust and athletic new design with a horizontal ribbed bonnet, a very vertical front end and pronounced shoulders. It is visibly moving upmarket with elegant finishes and chrome inserts. From the first level of finish, the All-New Kangoo is equipped with LED technology for its front and rear lights.

The interior is transformed and enhanced with a new dashboard, with featuring a dark brushed wood animation and chrome inserts in different places. The driver's seat is more ergonomic with 49 litres of storage space at your disposal. The soundproofing has been improved by 10% for greater comfort on board.

The All-New Kangoo has the best accessibility and habitability in its category. The front doors open to 90 degrees and access to row 2 is made easier with a sliding side door opening width of 615 mm. The second row is a reference in terms of habitability, with three real seats that can easily accommodate adults and/or children (even in car seats).

The All-New Kangoo maintains all the convenience that has made it a success, with a 2/3-1/3 folding bench seat and a folding passenger seat that can be easily manipulated to provide a flat floor with a length of 2.70 m and a load volume of 3,500 litres.

It is equipped with practical features such as a rear view mirror and innovative roof bars. It also features the All-New Renault EASY LINK multimedia system with smartphone replication and connected navigation on an 8-inch touchscreen.

The All-New Kangoo comes with fourteen driving aids as standard, for more relaxed driving, enhanced occupant safety and easier parking. These include *active emergency braking, cruise control and speed limiter with hill-descent control, adaptive cruise control with Stop & Go and lane keeping assist, active blind spot monitoring*, etc.

About Renault

Renault, a historic mobility brand and leader of electric vehicles in Europe, has always developed innovative vehicles. With the 'Renaulution' strategic plan, Renault has embarked on an ambitious, value-generating transformation moving towards a more competitive, balanced and electrified range. Its ambition is to embody modernity and innovation in technology, energy and mobility services in the automotive industry and beyond.
