## RENAULT PRO+ is launching a new interior protection accessories range for all commercial vehicles, worldwide

- **Renault Pro + continues to offer tailor-made solutions for professionals. These new ranges of accessories meet the requirements of craftsmen and traders, lessors or fleets, to better protect the interior of the loading area of their commercial vehicle.**
- **These ranges include protections for floors and wheel arches as well as side guards. Several levels of finishing (Standard, Innovation, Premium) make it possible to answer all the needs. They are available on the full range of commercial vehicles (Dokker, Kangoo, Traffic and Master) in more than 100 countries worldwide.**
- **The diversity of the offer, the quality of finish, the competitive price and the controlled weight of these accessories make it a unique offer in the commercial vehicle market.**

### **About Groupe Renault**

Groupe Renault, which has been making cars since 1898, is now an international corporation with a presence in 134 countries and sales of 3.76 million vehicles in 2017. Today, the company has over 180,000 employees, 36 manufacturing sites and 12,700 sales outlets worldwide. To meet the major technological challenges of the future while continuing to pursue its profitable growth strategy, Groupe Renault is focusing on international expansion. To this end, it is drawing on the synergies of its five brands (Renault, Dacia, Renault Samsung Motors, Alpine and LADA), electric vehicles, and its unique alliance with Nissan and Mitsubishi Motors. With a 100% Renault owned team committed to the Formula 1 World Championship since 2016, the brand is involved in motor sport, a real vector of innovation and awareness.

### **About Renault Pro+**

For more than a century, Renault has been developing, manufacturing and selling Light Commercial Vehicles (LCVs) to meet the needs of demanding business customers around the world. Groupe Renault's global LCV sales have increased by 40% since 2011, reaching a new historic record of 463,000 units in 2017. Today, Renault is the European leader in vans and electric LCVs. Renault Pro+ is Groupe Renault's expert brand offering products, services and solutions tailored to business users, for today and tomorrow.
