## Renault to attend 2017 '4L INTERNATIONAL' meeting and releases previously unseen archive photos

Fans of the Renault 4 in particular and of popular classic cars in general will be attending this year's 4L INTERNATIONAL at Circuits du Val de Loire (near Thenay, in France's Loir-et-Cher region) on July 21-23.

The 4L INTERNATIONAL meeting is Europe's biggest gathering of the iconic model, along with numerous derivatives, Estafette vans and other classic Renaults.

While the inaugural event in 2009 attracted some 300 cars, this year's extravaganza has attracted an assortment of more than 1,000 vehicles originating from across Europe.

Renault will be actively involved in the extravaganza in the form of a display of selected models from its private collection, including Renault 4 F4s and Estafette vans.

And to celebrate the sixth edition of this biennial meeting, the French manufacturer will also be exhibiting a number of previously unpublished archive photos of the Renault 4. These shots can be viewed in the attached file.
