## THE ALL-NEW RENAULT CLIO ARRIVES IN FRANCE

- **The fifth generation of the French bestseller releases its prices for France.**
- **All-new Renault Clio's starting price is €14,100 (inc. VAT) for the Life SCe 65 version.**
- **Orders open in France from April 2, 2019.**

The All-new Renault Clio has revealed its prices for France with an even more attractive entry offer. It starts at €14,100 inc. VAT with the SCe 65 engine. Orders are now open in France for the TCe and Blue dCi engines.

Presented during the last Geneva Motor Show, the most popular French car has undergone an interior and exterior makeover and offers technology never seen before in its market segment. New Clio is thus available in five trim levels: Life, Zen, Intens and, heading the range, the R.S.Line and Initiale Paris trims, two complementary offers.

Starting with the **Life version**, the All-new Clio comes with its fully new and attractive design. Its brand new interior is both sleek and technological, and also provides spaciousness and versatility. The list of standard equipments offers many new and exclusive features for the segment :

- Renault LED Pure Vision headlamps
- A full active safety package: Active Emergency Braking with pedestrian and cyclist detection, urban and interurban, Distance Warning, Lane Departure Warning, Lane Keeping Assist, Traffic Sign Recognition, Automatic Light Activation
- Passive safety is also well covered : six airbags, Seat Belt Warning with presence detection for each of the 5 seats, thin comma-shaped head-rests with whiplash protection function, i-size ISOFIX on the rear side seats and front passenger one.
- A 4.2" color driver display in the center of the analog counters
- A foldable 1/3 2/3 rear seat
- Front electric and one-touch windows

**The Zen trim level** adds to the Life trim list : the Easy Link with the 7" screen (Apple Car Play and Android Auto compatible), manual air conditioning, 16" Design Rims.

The **Intens version** offers a level of quality never seen before in the category, with the immersive Smart Cockpit including the high console, a sliding armrest and customizable screens. the New Clio keeps offering at this level the regulated air conditioning, 16" alloy wheel rims, LED fog lights, keyless entry, reversing radar and power folding side mirrors. It is also enriched with:

- A 7" driver display on the dashboard
- Easy Link 7" multimedia system with radio and touch screen navigation, compatible with Android Auto and Apple Carplay - Bluetooth, 2 USB and 1 auxiliary plugs.
- An electric parking brake with Auto Hold function
- An automatic day/night interior mirror
- Renault Multisense with customisation of driving modes and interior ambiances (3 predefined modes MY SENSE, ECO, SPORT)
- A chrome exhaust pipe

**The New Clio R.S. Line** (formerly called G.T. Line) expresses the sportiness of Renault Sport through its exterior and interior style: F1 blade at the front, wing marking, 17" Magny-Cours alloy wheel rims, carbon-look inserts inside, RS punched leather steering wheel, aluminium pedals.

As for the **New Clio Initiale Paris**, it offers a new, highly elegant stylistic interpretation of this now well-known version in the Renault range. On the outside, it is distinguished by a specific starry grille, Gloss Black mirrors, a shark antenna and 17" Initiale Paris alloy wheel rims. Inside, the atmosphere is particularly refined with its heated padded leather seats. To finish, it also offers the best of technology with its spectacular 9.3" central screen (the largest in the category), the brand-new Bose Sound System, the 360° camera and blind spot detection.

While for nearly 30 years the Clio has been able to conquer the hearts of the French, the New Clio is firmly future-looking, offering a wide public, a versatile and technological offering.
